Datenschutz

If this application is rejected by the student council, the application will be destroyed within one week. During repayment by means of the SEPA Direct debit mandate, the data is processed according to the DSGVO art. 6 I 1b and the personal data collected are prescribed by contract. All personal data must be provided, otherwise this application will be considered invalid.

Furthermore, the personal data are stored for 10 years after the complete repayment on the basis of the UStG §14b and deleted on 30.01 of each year. The student council undertakes to use the data of the contracting partner solely for the performance of the social loan and, if required, for billing and audits.

The student council also provides information on the own personal data on request. There is also the right to correct the own personal data at any time. This is supervised by the Otto-von-Guericke-Universität as a supervisory authority and it can be filed here complained.
